Thanks David. Please call me Amelia.

I can imagine how work is.

I know Khue, thanks, but the question I had was about residue testing in general. Your expertise. I will give you a call. It's not urgent, if you aren't in then I can try tomorrow.....

All the best

Amelia

Hi Dr. Jackson-Gheissari,

I hope all is well in St. Louis. It was a pleasure to make your acquaintance.

I have been really overwhelmed with deadlines as the end of the fiscal year approaches so I am sorry for not getting back to you sooner.

I probably don't have any answers for you so I will likely forward you on to Khue (pronounced "Quay.") Her number is 703-347-0248.

Feel free to call me if you wish though.

Warm Regards,

David

Hi David,

We met at the PDP. Do you have time for a quick call? If so would you send me your telephone number please? I am in Saint Louis for the next two weeks, so an hour behind you.

Thanks a lot, best wishes,  
Amelia
